
Our Aim

At Griffins, we provide a professional wraparound service for Beaumont pupils where parents can be confident of high-quality care for them whilst maintaining a fun yet structured environment.

Griffins have the same values of Beaumont:

“Be Polite, Kind and Hardworking”

Our aim is to create an atmosphere in which children can learn, work and play together happily. We aim to promote good relationships in an atmosphere of trust, harmony and co-operation. We place great emphasis on reward and praise. We encourage self-control and self-discipline, together with a responsible and positive attitude to standards of work, courtesy and behaviour in school. We believe this is achieved by motivating the children through the planning and delivery of well-matched, creative learning activities.
